BOSTON UNIVERSITY OZONE PILOTS

That's right, we're the Ozone Pilots. We hail from Boston, Massachusetts, where we play in one of the most competitive sections in the country. Our alumni currently play for elite club teams like Ironside, Brute Squad, and Slow White, and so have our coaches. We have a men's team and a women's team, both of which like to play hard and win games. We compete throughout New England in the fall and spring, as well as tournaments like Pres Day in San Diego, Huck of the Irish in Maryland, and Trouble in Vegas in...well, Vegas. In recent years our men's team has finished 6th at Sectionals and our women's team 4th at Regionals. Check us out online, shoot us an email—or just come play for us!
