## Big Donkey Ultimate

est. 1978

The Men's Ultimate team at Haverford College strives to be one of the most fun, highly competitive, and best-spirited teams in the universe.

- ★ 2011 East Penn D-III Conference Spirit Award Winner
- ★ Host of legendary Amherst Regional High School coach Tiina Booth's first-ever session of the National Ultimate Training Camp: On the Road. Booth will be returning in the fall for a larger second clinic.

We play in the competitive D-III Ohio Valley Region, but also compete against many larger schools. The team maintains a tradition of success, camaraderie, and shenanigans that we uphold at every possible opportunity.

**Haverford College is a great place to play competitive Ultimate on a fun, up-and-coming team at a selective, small liberal arts school with a strong sense of community! We are located just outside of Philadelphia.**
