Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. ULTIMATE PLAYERS ASSOCIATION d/b/a USA ULTIMATE Notes to Financial Statements For the Year Ended December 31, 2013

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Organization</u>

USA Ultimate (Corporation) is the national governing body for the sport of Ultimate and is a member of the World Flying Disc Federation. The Corporation is responsible for the promotion and development of the sport of Ultimate in the United States.

Income Taxes

The Corporation qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not subject to federal income tax. Accordingly, no income tax provision has been recorded.

The Corporation's form 990, Return of Organization Exempt from Income Tax, is subject to examination by various taxing authorities, generally for three years after the date they were filed. Management of the Corporation believes that it does not have any uncertain tax positions that are material to the financial statements.

Contributions

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as satisfied program restrictions.

Membership Registrations

Membership dues consist of lifetime and annual registrations and are recognized as revenue over the duration of the membership. Lifetime memberships are recognized over fifteen years.

Notes to Financial Statements

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Cash and Cash Equivalents

Cash and cash equivalents consist of amounts in the Corporation's checking and money market accounts. The Corporation maintains its cash and cash equivalents at commercial banks. In the event of a bank failure, the Corporation might only be able to recover the amounts insured.

Inventory

Inventory is stated at the lower of cost (first-in, first-out method) or market and consists of discs, rulebooks, DVD's, manuals, and guides.

Furniture and Equipment

Furniture and equipment is recorded at cost or, in the case of donated property, at their estimated fair value at date of receipt. All acquisitions of furniture and equipment in excess of \$200 are capitalized.

Depreciation is recorded using the straight-line method over estimated useful lives of three to seven years.

Depreciation expense was \$35,809 for the year ended December 31, 2013.

Supplemental Cash Flow Disclosures

The Corporation paid no interest or income taxes during the year ended December 31, 2013.

<u>Accounts Receivable</u>

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on management's assessment of the credit history with customers having outstanding balances and current relationships with them, it has concluded that an allowance for doubtful accounts at December 31, 2013 of \$1,000 is necessary.

Accounts receivable outstanding for more than 60 days are considered delinquent. Delinquent receivables are determined to be uncollectible on a case by case basis and are written off to bad debt expense at such point of determination.

Notes to Financial Statements

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Functional Allocation of Expenses

Certain costs and expenses are allocated among the various programs and supporting service expenses based on salary expenses. For the year ended December 31, 2013, the Corporation's supporting service expenses amounted to 8.35% of total support and revenue.

<u>Use of Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities, and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

Donated Services

The Corporation receives a substantial amount of donated services in carrying out its programs. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under ASC 958, "Not-For-Profit Entities".

Date of Management's Review

In preparing the financial statements, the Corporation has evaluated events and transactions for potential recognition or disclosure through June 5, 2014, the date that the financial statements were available to be issued.
