Our coverage is intended to supplement existing coverage and act as secondary coverage. We expect all members to carry their own coverage and not utilize USAU coverage as a primary insurance. We do the best we can to update the policy summary on our site to reflect annual changes, but only the policy itself should be used to determine actual coverage.

The information contained in this brochure provides a general summary of the benefits provided. It is not meant to be a complete explanation of all the provisions of the policy or the specific benefits. No coverage is extended and no representations are made by the policy.
